

For Sale, Land, Plot, Nicosia, Geri, 530m²

For Sale : € 142,000

Description

Discover a sophisticated investment opportunity in the highly sought-after area of Geri, Nicosia. Strategically positioned for Small Development and High-Value Living, this under-division residential plot offers an ideal balance of architectural flexibility and yield potential. With a robust Building Density of 80%, this site is a prime choice for developers looking to maximize internal floor area or for families seeking to build a grand, two-story custom home with significant volume.

The 45% coverage factor within the Kα7 Planning Zone ensures that any future project maintains an airy, high-end feel, providing ample footprint for premium outdoor features such as private swimming pools, expansive verandas, and landscaped gardens. As plots of land for sale in Geri continue to appreciate due to their unique position between urban Nicosia and the island's natural green lungs, this property represents a secure and strategic acquisition in the Cyprus real estate investment market.

Located just a breath away from the Athalassa National Forest Park, this plot offers a lifestyle where serene nature meets city convenience. Its proximity to authoritative landmarks like the University of Cyprus and The Mall of Cyprus ensures that your investment is anchored by the capital's most vital infrastructure. G&P Lazarou trusted properties brings 32 years of market-leading expertise to this project, ensuring that all under-division requirements and modern utility provisions are met to the highest professional standards.
