Prime 569m² Corner Plot in Kallithea: Exceptional Build Potential and Strategic Value

For Sale : **€ 137,000**

Description

This well-proportioned 569m² corner plot in the high-demand area of Kallithea, Dali, represents a premier opportunity for a sophisticated Cyprus real estate investment. With a 90% building density, the property offers the perfect balance between high-value living and a small-scale development project. The elevated topography ensures pleasant city views, providing an ideal setting for a bespoke luxury residence or a high-yield residential unit that capitalizes on its prominent corner position.

Located on Agiou Constantinou & Elenis Street, the plot is strategically positioned for modern convenience. It is situated just a short walk from the 3rd Primary School of Dali and the local Church of Agios Konstantinos and Elenis. For professionals and commuters, the property offers rapid access to the Nicosia-Limassol Motorway, placing the capital's commercial hub within a 10-minute drive. As one of the G&P Lazarou trusted properties, this land is ready for immediate development, benefits from an adjacent public green area for added privacy, and is notably exempt from VAT, offering a significant financial advantage.
