Description
High-Value Residential Plot in Chryseleousa – A Long-Term Investment for Family Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a land asset in a premium residential area, this exceptional 848 m² residential plot in the prestigious Chryseleousa quarter of Strovolos offers the perfect blank canvas. Buying land in this established and highly sought-after neighborhood provides the ultimate freedom to bring your architectural vision to life, surrounded by a community that guarantees long-term value. This site is a high-value residential opportunity specifically suited for those who prioritize privacy, modern infrastructure, and the security of a long-term investment in one of Nicosia's most exclusive pockets.

Ideal for Custom Family Living

Boasting a prime, flat position in a serene and upscale environment, this property is primed for the development of a private custom home. With a 50% building density and 35% coverage ratio under the Ka8γ planning zone, the focus here is on quality of life and spacious living. The zoning ensures an environment of low-density housing, making it an ideal choice for those looking for plots of land for sale in Strovolos that offer a sense of seclusion and space for a luxury detached villa with a pool and generous gardens, consistent with the high standards of the surrounding homes.
