For Sale, House, Detached House, Famagusta, Kapparis, 235 m², 410 m², EUR 850,00...

Located only steps away from beautiful Malama beach, this one of a kind property is more mansion than villa. From its expansive roof terrace with panoramic sea views to its luxurious finishings, every aspect of the villa has been custom designed and constructed to the highest caliber, creating an impeccable property. Upon entering the property through aluminium gates, one finds the expansive external living area with a large custom tiled swimming pool with cut granite overflow system. The surrounding tiled terrace has an external shower near the pool and a large barbecue and outdoor kitchen with polished granite counter tops. Perfect for cooking and hosting al fresco, the barbecue and kitchen has an automatic security shutter, ensuring safe storage of any tools or dinnerware so they can be easily accessed. Fully installed aro...
